

# THE BROUGHTON BULLETIN

Spring 2021

# WELCOME

Hello, and welcome to the first edition of the resurrected Broughton Bulletin. Brought to you by local charity, Broughton Community Sports Association (BCSA), with content compiled by local residents and groups.

The Bulletin will be brought to you quarterly. This is very much a community publication, so if you have anything you would like to submit, please take a look at the content submission deadlines at the back of the bulletin. Throughout the pages we are featuring photos taken by residents of our wonderful town. Check out the photo credits on the back page to see who took each photo.

In our Spring edition, we wanted to give you an overview of all the different groups and organisations in Broughton, some which are quite well known, and some that you may not have known existed. They bring you a brief summary about their group and all information on how you can join.

Broughton Town Council give you some important updates about our town and we provide you with some key events to look forward to. Future publications of the Bulletin will feature more articles, reviews and updates of up and coming events and activities as the world starts to open up again.

In order to help the environment and to keep cost low, all editions of the Broughton Bulletin are available as a digital copy, with a limited number printed and distributed around town for those who would perhaps struggle to access this online. If you would like to be added to our list to receive a physical copy through your door please contact us using the details below, or pick up a copy from a local shop.

We hope you enjoy this edition, if you have any feedback or suggestions please get in touch using the information below.

# BROUGHTON COMMUNITY AND SPORTS ASSOCIATION

BCSA is a registered charity made up of volunteers from Broughton. Our aim is to improve community health, physical activity and social cohesion. We do this by supporting local community groups and organising local events.

Despite lockdown restrictions we helped to deliver some fantastic community initiatives in Broughton. In June we supported Broughton Town Council's scarecrow competition to improve morale during the COVID pandemic. BCSA wanted to make the event as inclusive as possible by giving free bales of hay to residents so they could join in too. We gave residents the opportunity to donate money to a local cause during the hay bale collection, and in total residents collectively donated £135 for The Health Tree Foundation. All the money raised was used to purchase items from the Amazon wish list for patients and staff at Scunthorpe General Hospital.

Over the summer we ran the Community Lockdown Champion Awards, enabling our community to show their support to some amazing people that have gone above and beyond during the pandemic.

Every year the charity aims to improve social cohesion by hosting community events for residents. Due to the current COVID pandemic, we could not do this. Instead, we encouraged residents to connect virtually via our Facebook page "Christmas tree" competition and spread a little cheer with our Community Secret Santa Event. The aim was to spread positivity and improve wellbeing. Generous donations from Co-Op, Tesco and Morrisons meant that we were able to give away more prizes to residents, some of which were gratefully received. 60 residents took part in our Secret Santa event and we donated mince pies to Wells Court, Carseld and Castlethorpe Nursing home.

We are now turning our attention to 2021. We are kicking off this year by bringing back the Broughton Bulletin, which we hope will allow Broughtonians to stay more connected, get involved in community events and allow local groups to share their information with residents, not on social media. We are also working on some exciting spring and summer activities for the community, including an Easter Raffle to raise money for the Broughton Wombles, visit [thisisbcsa.co.uk](http://thisisbcsa.co.uk) for more information.

If you would like to help in improving facilities and activities in Broughton then please get in contact. We are a friendly and supportive committee that welcome new ideas. The next Broughton Community and Sports Association (BCSA) meeting will be the AGM held via zoom on Tuesday 11th May at 19:45 followed by a general meeting at 20:30. Please email [info@thisisbcsa.co.uk](mailto:info@thisisbcsa.co.uk) if you would like details of how to join.

# BROUGHTON TOWN COUNCIL

**Speed Signs:** Broughton Council are installing two permanent flashing speed signs on two of Broughton's roads shortly – Appleby Lane and Ermine Street. The Community Speedwatch initiative has been delayed but will be progressing very soon.

**Digital Infrastructure:** Two companies have recently put presentations to Broughton Town Council on fibre to the home. To register your interest, please [CLICK HERE](#)

**Vandalism of the Woods:** Broughton Town Council were saddened to hear of the damage caused to trees in the woods. The woods are a huge part of Broughton and to ensure they are there for future generations, we need to ensure they are looked after with pride. Please report any anti-social behaviour in the woods and Broughton to the Police 101.

**Scarecrow Event:** Broughton Town Council are delighted to announce that the Town Scarecrow Event will return for 2021 over the weekend of **25th - 27th June 2021**.

# ST MARY'S CHURCH

St Mary's Church is the Parish Church for Broughton and although the COVID pandemic has meant that we have been restricted in our activities, we continue to do what we can to provide a place for anyone in the town to come to think and pray and we continue to pray for everyone in the community. As long as we are allowed we are holding public services on:

**Sundays at 10.45 am and Thursdays at 10.00 am**

The Church is also open 8.45 am - midday on Thursdays for anyone to come in to think or pray. Weekly services are posted on the YouTube channel for St Hybald's Church, Hibaldstow, with some occasional services posted on the St Mary's YouTube channel. Articles are also regularly posted on my blog: <http://hybaldsrector.blogspot.com>

Easter is coming up at the beginning of April, but at the time of writing we're not sure what we'll be allowed to do, so please check our Facebook page, the weekly News Sheet and the Parish Magazine for updates (the News sheet and the Parish magazine are available in church). If there's anything you think we may be able to help with, please drop into church when it's open or contact me.

With my love and prayers,

David

# BROUGHTON ALLOTMENT & LEISURE GARDENERS ASSOCIATION

Broughton Allotment Association was formed in 2007 by plot-holders with the aim of creating a community-based organisation representing the interests of fellow plot holders and local gardeners. Run by volunteers from the allotment - with the officials and committee being elected at the AGM – the Association aims to provide a friendly and sociable environment so that plot holders and local gardeners can share advice, expertise, seeds, plants and produce. It also sells discounted bulk buy allotment supplies.

The Association runs a number of events throughout the year including open days, garden visits, attending local shows and cookery demonstrations. Information\* on events can be found in the quarterly newsletters, Facebook page and website.

Newsletters – [bit.ly/broughtonplotsqtly](http://bit.ly/broughtonplotsqtly)

Facebook - [bit.ly/broughtonplotsFB](http://bit.ly/broughtonplotsFB)

Currently membership of the Allotment Association is £3.50 per annum and is open to any plot holder or local gardener. A new tenant gets a year free membership with a welcome pack when they sign up with the council, which illuminates all key areas concerning getting started.

## NORTH LINGS BEEKEEPERS

North Lincs Beekeepers, who usually meet in the Village Hall on the last Monday of the month, are presently holding some meetings on Zoom.

If you would like more information about membership and our activities please contact the secretary on [teresagraham.nlbkd@gmail.com](mailto:teresagraham.nlbkd@gmail.com)

# BROUGHTON WALKING GROUP

The group is run to encourage walking for health in and around Broughton. We run a combination of health walks (3 miles / 90 mins duration) and longer walks approx 6/7miles for those who like further distance.

Walks are held on a Wednesday and occasional Saturday and vary between Broughton based (local woods / river) and local destinations which may involve a short car journey.

Where possible there is the option of refreshments on completion of each walk by prior arrangement.

We have fully trained walk leaders who are also compliant in first aid .

The group is friendly, sociable and aims to walk at a pace that slightly raises the heart rate.

To join the group and see updates on our schedule join Broughton Walking Group on Facebook or contact Roger Bonnett on 07799374288

**Currently all walks are suspended due to Covid 19 but updates will be communicated when able to restart.**

# BROUGHTON DRAMATIC SOCIETY

Broughton Dramatic Society is an amateur dramatic group which performs two plays per year at the Village Hall. We are a registered charity that aims to make dramatic arts accessible to all and to promote and improve wellbeing, through high-quality performance. As part of our charitable focus, we often give out free tickets to deserving causes; we support, for example, our local pensioners' group.

We have been fundraising over the past few years so that we can renovate our rehearsal room, located behind the church. We have recently been able to connect to a fresh water supply and our aim now is to fix the roof. We are hopeful that, thanks to the generosity of the community and grants from Broughton Town Council and North Lincolnshire Council, work will start on the repairs later this year. Last year, due to COVID restrictions, we were unable to perform any plays. Instead, we moved online, putting out videos and hosting an online quiz night via our Facebook Page.

In 2021, we are hoping, finally, to be able to bring our performance of 'Haggard' to the Village Hall. This play is best described as a bawdy romp and has had us all in stitches from the get-go! Perpetually hard-up, lecherous, conceited, dishonest and drunk, the eighteenth-century Squire Amos Haggard was first conceived by Michael Green and subsequently brought to television screens in Eric Chappell's much-loved ITV series in the 1990s. In Chappell's stage adaptation, our anti-hero disguises himself as the notorious bar brawler 'One-Eyed Will', seduces a member of the aristocracy, poisons himself, survives an encounter with 'Death', fights a duel and ends up in prison waiting to be hanged! His son Roderick and servant Grunge are his not-so-faithful companions. It's a fast-moving, hilarious script and we can't wait to bring it to the Village hall! Watch this space for news of its performance in November 2021, fingers crossed!

# BROUGHTON IN BLOOM

The group was started approx 4 years ago to introduce floral displays at strategic areas in Broughton and Wressle. Several raised beds have been set up in locations to give maximum effect to residents and visitors. Bulbs have been planted on the grass bank opposite woods on Ermine st , top of Church wall on High Street and also outside the library to give spring colour. There is also a communal herb garden outside the village hall for all to use. 2 recently created wildflower beds are now maturing in the church yard and Church Lane graveyard.

The group of volunteers has worked with Broughton community groups including W.I. , Primary school, St Hughes school, Allotment association, Brownies, Guides, Toddlers, Wells Court and Church. Funding is provided by volunteer donations and local council support. In 2020 Broughton won best kept small town and cemetery awards in the North Lincolnshire area.

If interested in helping the current band of volunteers join “Broughton in Bloom” on Facebook or contact Roger Bonnett 07799374288

## PURPLE POLIO 2020

In 1979, Rotary International began its fight against Polio, immunising 6 million children in the Philippines. In 1985 it launched Polio Plus, joining forces with WHO and UNICEF in 1988. The Poliovirus mainly effects children under the age of 5 years old. Since 1985 over 2.5 Billion children worldwide have been immunised against the Poliovirus, with only 121 cases remaining worldwide as of 30th Sept 2020, these being in only 2 countries; Pakistan & Afghanistan. Africa was declared Polio free in August 2020 after no cases of “wild polio” in the last 4 years. Rotary adopted the slogan “Purple 4 Polio”, highlighting the Campaign by planting purple crocuses.

The permanent global cessation of circulation of the poliovirus is the aim of a multinational public health effort begun in 1988, led by the World Health Organization (WHO), the United Nations Children’s Fund (UNICEF) and the Rotary Foundation, when at the time there were 350,000 cases in 125 countries

# BLOOMIN WOMBLES

It has now been a month since the inception of Bloomin Wombles, it has shot up from zero to 80+ in a month. We are a group of like minded people who care about our community. The original idea was to support the Broughton in Bloom team, contribute to and enhance their great work.

We have great community support as well as from North Lincs Council who have supplied PPE, Equipment and waste collection. Our Wombles are regularly stopped from their work by the public and praised for their efforts. It is heartwarming to see Broughton residents pulling together with a common goal x (any suggestions will be accepted) andddd... not forgetting our Junior Wombles 20 plus which makes us a Hundred strong

# BROUGHTON RUNNERS

During the first lockdown we started workout sessions to help people stay motivated, but other than that our runners have been keeping themselves busy with virtual challenges.

We have anywhere from 15 to 50 people taking part for each challenge. The challenges have been made up of mileage targets and group mileage targets (where everyone clubs together to hit the mileage). There is also a single distance challenge where you have to run a set distance in one run and also an elevation target where you have to hit the amount of elevation in a set period.

Not all challenges have been completed just for fun though, with one of those challenges generating £80 for Lindsay Lodge Hospice. Then of course we have the Brutaliser which has allowed people to have the feel of an event without breaking any COVID guidelines.

This year we are planning the return of our annual Broughton burn in September, watch this space.

# BROUGHTON LADIES COUNTRY CLUB

Broughton Ladies Country Club has been running for over 60 years. Ann Smith is our hard working secretary and Jan Foster is the President of the club. We hold monthly meetings on the first Monday of the month (except bank holidays) in the village hall back room. The meetings are held in January, February, April, May, June, September, and October. During March the club usually runs a trip to the local theatre and therefore there is no meeting that month. During July and December we usually go to a local restaurant for a meal. Our November meeting is in the hall and is usually a pie and pea supper or a buffet supper. January is our AGM. We do not usually have a meeting during August. At each meeting Ann arranges for various speakers from different occupations and charities. We charge £2:00 for each meeting which includes a cup of tea or coffee and biscuits. This fee covers the cost of the hall hire and a small donation to the speakers choice of charity. We also hold two coffee mornings during the year, one in July and one in November, this fund raising is vital to the club and again we hope to start them again soon. New members will always be made welcome, and we look forward to seeing you. As with many organisations we have been hit hard due to Covid restrictions and are looking forward to a time when we can meet up again. We now have a Facebook page and we will be posting updates on this in the very near future so please check it out.

# 1ST BROUGHTON SCOUT GROUP

## Could you Volunteer for 1st Broughton Scout Group?

As we emerge into a post Covid-world soon, let's all hope for much better times ahead and a closer normal than we have for a long time. 1st Broughton Scout Group has been providing youth services to the young people of the area for over 75 years and we are now preparing for the future.

Our youth numbers have dropped throughout the pandemic, but all evidence points to the fact that when young people can return to face to face scouting we are likely to see an explosion in children applying to join scouts. The mental and physical health of our young people has suffered over the past year, social responsibility and community cohesion has been replaced by isolation and self-preservation.

But these issues have not just affected young people, it has in fact affected young and not so young alike. Loneliness has never been higher and happiness in short supply. 1st Broughton Scout Group, wishes to meet the need to provide quality, exciting, adventurous, skills based youth provision to every young person aged 6-18 when the time comes. To be able to meet the need, we need more adult volunteers to join our already strong and committed team of leaders. There is a role for everyone who want to contribute to our core purpose of scouting through a skills for life programme. We don't want to have to turn any young person away.

New adult volunteers will not only support the national effort of rebuilding our society from the youth-up, but will become a member of a friendly supportive local family of likeminded people within a world-wide organisation. Here are just a few of the benefits to you:

- Join a community within the community – mutual support and friendship assured;
- Be a member of the Noble Peace Prized nominated global movement of scouts and guides;
- Flexible training scheme, providing you with skills that can be applied outside scouting;
- Opportunity to share the stars, see the smiles and endure the challenges.

We need your help, but after a year of lock down – don't you need us? So why volunteer – why not? JOIN the Team and let's have some fun :-)

We all deserve it!!

To discuss volunteer leadership roles, or to sign your son or daughter up to one of our sections, email Stuart the Group Scout Leader at [stuartmarritt@gmail.com](mailto:stuartmarritt@gmail.com)

# 1ST BROUGHTON BROWNIES

1st Broughton Brownies have continued online Zoom meetings weekly on a Wednesday through the lockdowns with a few socially distanced face to face meetings in the autumn term. Watch out for the daffodils along the Church wall, we planted them with the help of Broughton Bloom! We are hoping to start meeting in person again sometime after Easter.

Any girls age between 7 and 10 who would like to join us can register at <https://www.girlguiding.org.uk/information-for-parents/register-your-daughter/>

WE DISCOVER, WE GROW

# 2ND BROUGHTON BROWNIES

2nd Broughton Brownies was formed on 14th June 1977, we have over 40 years of Girlguiding history.

Girlguiding gives girls their own space, a space where they can really be themselves with other girls and share the experience of growing up as a girl in today's world.

What makes Brownies special?

We are for all girls, whatever their background and circumstances. We offer them fun, exciting activities and the chance to make life-long friends.

We are open to all girls, of all faiths and none.

Our unit is fully integrated to include girls with disabilities.

Girls can participate in a wide range of activities at our unit meetings, special events, day trips, sleepovers, camps and holidays. Activities include arts and crafts or recipes, playing energetic games, taking part in community action projects, or zooming down zip wires!

Brownies is always packed with fun and there is always lots taking place.

If your daughter would like to join us, register your daughter's interest with Girlguiding and select 2nd Broughton Brownies, a unit leader will then get in touch with you.

<https://www.girlguiding.org.uk/information-for-parents/register-your-daughter/>

Whatever inspires your daughter, whatever her passions and interests, Girlguiding offers her the chance to develop her potential, make friends and have fun.

We look forward to hearing from you.

Thank you

# 1ST BROUGHTON GUIDES

Broughton Guides meet Wednesdays during school term time and are part of Girlguiding. Over the last year we have been meeting mainly on Zoom but did manage a few face-to-face meetings in September and October. We have had quite a lot of fun on zoom with goats visiting us, a Harry Potter Tour of Scotland and much more but we are ready to get back to proper Guiding. We are hoping to return to some form of normality soon and have lots of plans for the future. Guides is for girls aged 10-14. At Guides you plan your own meetings and explore new places, the Unit goes on camps, holidays and trips. We enjoy exciting events such as the Big Gig pop concert which is only for Guides. We also have our fabulous festival – Wellies and Wristbands. Guides helps you to make a difference in your community and speak out about issues that matter!

Visit [www.girlguiding.org.uk](http://www.girlguiding.org.uk) to find out more information and register. We have a small handful of spare places!

# BROUGHTON AGRICULTURAL SOCIETY

## BROUGHTON SHOW

The Show was started in 1945 by four farmers, J Wells, F Knapton, W Golland and C Green. The Gymkhana was held in a hay field adjacent to the playing field which was specially cut for the day and used until 1975. This was then amalgamated into the present field by the Playing Field Committee who ran and organised the events such as cricket and football. The Show Ground uses all the playing field on Scawby Road, Broughton for the show, which is with the kind permission of the Broughton Town Council. The grass area is flat which is ideal for the Horse Showing and Jumping, Horse Drawn Vehicles, Children's Entertainment, Dog Show, Trade Stands and the Craft Fair which is held in the hall. New features which include Heavy and Agricultural Horses and Shetland ponies have recently been introduced.

The present Chairman is Mr L Waters, Vice Chairman Mr M Capp, Treasurer Mrs M Gray and Secretary Mr M Richardson, who can be contacted on 07800 510612 or his e-mail address [sutton9390@btinternet.com](mailto:sutton9390@btinternet.com)

Its with great regret the committee have made the difficult decision to cancel the 2021 Broughton agricultural show due to the current restrictions and uncertainty of been allowed the use of the sports field we as a committee feel its the right decision to cancel this year and come back bigger and better in 2022 we look forward to planning a good show and see you all next year.

## WRESSLE PROPPANT SQUEEZE UPDATE

The community liason group met with Egdon, The Environment Agency, NLC Planning and local councillors regarding the Wressle oil site in March. Minutes from the meeting can be accessed here. <https://egdon-community.com/our-active-sites/#wressle>

## BROUGHTON WOMENS INSTITUTE

Broughton Women's Institute meet in the Village Hall on the 2nd Thursday of the month with the exception of August. We are a friendly, lively group. We have monthly speakers, trips out and a Supper Club. Membership of the WI opens doors to learn new skills and make new friends. Being a Broughton WI member automatically entitles you to access events, day schools etc, via the Lincolnshire Humber Federation based in Brigg. Check out our Facebook page - [Broughton Women's Institute](#) - to have a look at what we get up to. Fancy coming to see what goes on? We would love to welcome you. # BROUGHTON RAVERS

## WILDCATS WILL SOON BE ON THE PROWL!

Broughton Ravers Junior Football Club are proud to announce that we are now an approved FA Wildcat Centre for all girl's football.

In the foreseeable future, we will be working with the Lincs FA, to organise and hold football sessions for girls. In turn we will receive advice, support, access to coaching courses and funding towards developing the new Broughton Raver Wildcats.

This will enable us to provide any girl an opportunity to be active, partake in team sports, build friendships and hopefully encourage confidence in them through the enjoyment of the game, within a safe and controlled environment.

We plan to initially start off with developing a core Wild cats training group. Progressing into smaller age-related year groups, working towards all girl Raver Wildcat football teams. In addition to providing the support and education for willing volunteers to become coaches, managers and officials of the Wildcats.

If you know of a child who is interested or may benefit from an environment such as Wildcats, please get in touch with a club official either via our Facebook page or via our website.

Facebook - [Broughton Ravers JFC](#)

Website - [www.broughtonraversonline.com](http://www.broughtonraversonline.com)

Please don't worry if they are not in the specified age bracket listed above, still contact us as we may be able to help through our footballing network. We will always endeavour to help where we possibly can.

In addition, if you are interested in becoming a Wildcat coach, manager or official. Please do get in touch, the more people we get onboard, the better chance we have of making this a real success.

This is a very exciting opportunity for Girls team sport in Broughton and the surrounding area. One that Broughton Ravers want to support, grow and make a success off.

# BROUGHTON THROUGH THE YEARS

Below is a photo of the Broughton Rangers FC of a century ago (1920-21)

They are pictured with the J Hett Charity Cup which they won that season, their first trophy success in a decade. The trophy is still played for today, in fact the current Broughton Working Men's Club footballers are the holders.

They were:

Back: C Wells, G Dinsdale, F Stothard, C Nixon.

Middle: C Young, J Quickfall, J Markham, H Boulton, C Sherwood, A Codd, J Bones, J Wells, J Wells.

Front: B Skelton, J Johnson, T Ayre, H Hare, J Green.

The photo is taken on the recreation ground in Broughton, outside the British Legion Hall erected shortly after the Great War. In the back ground the Charabanc was used to transfer players and supporters to games, it was owned by Jim Wells.

The previous season, neighbours, Brigg Town beat Broughton, 2-1, in extra time in the first round. This time they got revenge in taking Brigg out by the same score in a first round replay, following a 1-1 draw at Broughton.

The local Scunthorpe Star newspaper claimed "Broughton's record gates were broken" during the drawn encounter. It was likely that more than 1000 people were watching the game on what is now the current recreation ground and the local newspaper the Scunthorpe Star showed quite a lot of interest in the hostile Broughton crowds. A number of complaints were to be registered to the Lincolnshire Football Association, including during the Junior County Cup Match against Scunthorpe Liberals.

The newspaper correspondent continued to show a great deal of interest in Broughton and was less than impressed that Sherwood had been dropped for Boulton, under the Pseudonym 'the watcher' they felt sure that Sherwood would appear in another teams colours before the end of the season.

By the time they reached final, which like many matches of the time, went to a replay, Sherwood accompanied Boulton alongside Skelton in the half back line and helped Broughton to a 4 - 2 win against Winterton.

The team captain Charles Nixon was presented with the cup by Mr A.A. Rhodes and the large concourse of Broughton Supporters carried him down the town holding it aloft. This was the start of a sweep of 22 trophies in 10 years.
